

# Ukraine Amateur Radio Project

**Richard G4HGI (Bolton Radio Club) has been contacted by Nick UR6QV / UT5Q (Zaporizhzhian Radio Club) in the Ukraine to ask for donations from the UK Amateur Radio community. The relief project is asking if you could dig deep in those boxes and cupboards that don't get opened in your shacks, and possibly donate some items that we say we use but don't (after all we are all hoarders!!!)**

**Items like : HF and VHF Radios, VHF/UHF Handheld Radios, SWR Meters, Coax Cable 50 Ohms, PL259, BMC or SMA, Torches, Power supplies - the list is endless.**
